

# PARTS DIAGRAM FOR THE

**TEC6MD (Grey)**

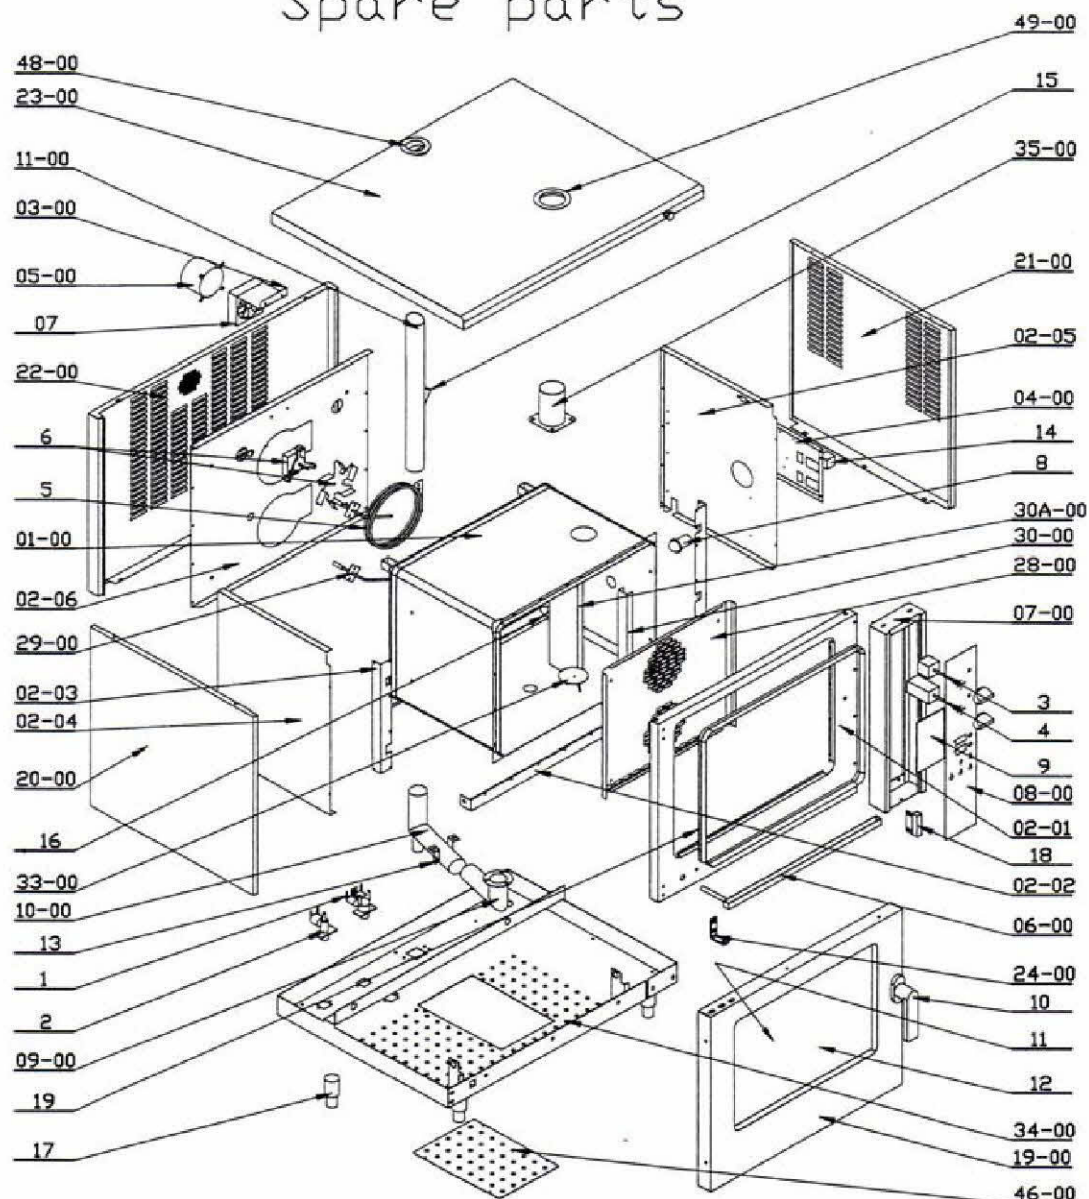

## TEC6 COMBI OVENS WITH GREY CONTROL PANEL

### TEC6

| PART NUMBER     | DESCRIPTION                                          |
|-----------------|------------------------------------------------------|
| 30503300005     | QUAD SOLENOID VALVE                                  |
| 30503300002     | SINGLE SOLENOID VALVE                                |
| 30200100006     | MAINS SWITCH                                         |
| 30200100007     | SELECTOR SWITCH                                      |
| 30200900018     | HEATING ELEMENT                                      |
| 45001066000S00  | CAVITY FAN                                           |
| 30201800001     | COOLING FAN                                          |
| 30200300021     | LAMP ASSY                                            |
| 30201800013     | MAIN PCB (NEW TYPE ONLY)                             |
| 30501400009     | DOOR HANDLE                                          |
| 30200200025     | THERMOSTAT                                           |
| 30200200022     | COOLING SENSOR                                       |
| 30203000001     | TEMPERATURE PROBE (red white and silver braded wire) |
| 30200600006     | DOOR SWITCH                                          |
| 45051012000S00  | DOOR GASKET                                          |
| 30200200021     | POTENTIOMETER KNOB                                   |
| 302008000014    | POTENTIOMETER                                        |
| 30208000001     | CONTACTOR                                            |
| 30200400008     | TERMINAL BOX                                         |
| 30202900001     | TRANSFORMER                                          |
| 30202700001     | FOOD PROBE                                           |
| 30202700003     | FOOD PROBE CONNECTOR                                 |
| 30200200021     | CONTROL KNOBS                                        |
| 30501300026     | OVEN SHELF                                           |
| 30502900008     | CONTROL PANEL MEMBRANE                               |
| 45001052000600  | WATER NOZZLE                                         |
| 30455110003     | INNER DOOR GLASS                                     |
| 30455110019     | OUTER DOOR GLASS                                     |
| 30503300003     | DOUBLE SOLENOID VALVE                                |
| 45001030000020  | L/R SHELF RUNNERS                                    |
| 450010180000S0  | HINGE ASSY 1 PARTS 1 & 2 = 1 HINGE                   |
| 45001024000000  | HINGE ASSY 2 PARTS 1 & 2 = 1 HINGE                   |
| RM-COMBIOVENYPC | Y CONNECTOR                                          |
| RM-HOSE01500    | 1.5 METRE HOSE                                       |

# Spare parts

- 1-Solenoid valve 0.1l/min 230V
- 2-Solenoid valve 0.5l/min 230V
- 3-Main switch
- 4-Selector switch
- 5-Heating element 3.3 kW/230V
- 6-Inner fan
- 7-Fan
- 8-Light
- 9-Control board
- 10-Handle

- 10-Handle
- 11-Inner glass
- 12-Outer glass
- 13-Cooling nozzle
- 14-Thermostat
- 15-Cooling sensor
- 16-Chamber probe
- 17-Foot
- 18-Door magnetic switch
- 19-Door gasket
