GUARANTEE

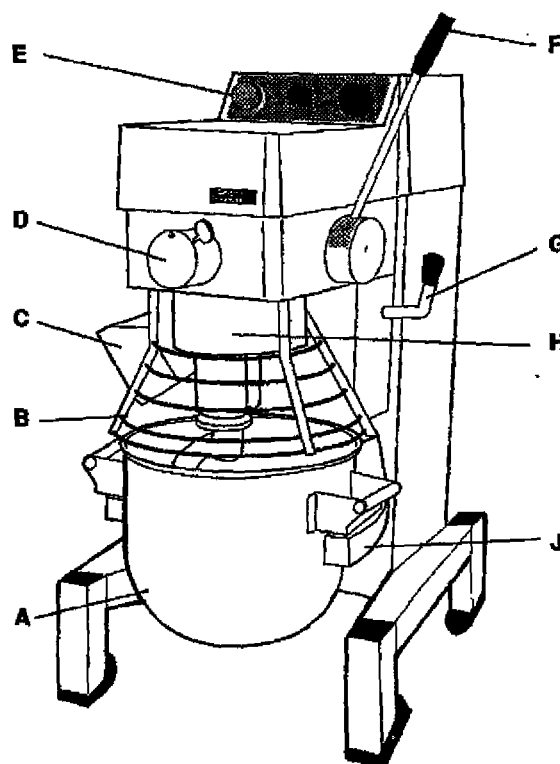

Crypto Peerless guarantees that, for a period of one year from the date of despatch from our works or the date of sale by one of our approved distributors, it will make good any defect in goods of its own manufacture arising from faulty design, material or workmanship, provided that no alteration, addition or repair has been carried out except by Crypto Peerless, or its approved Service Agent, and provided that such defective part(s) or the machine be returned to the company's nearest authorised service depot, carriage paid. Where the date of delivery to the end user is in excess of 12 months from the date of despatch from Crypto Peerless, our guarantee will be null and void unless special agreement has been reached with our Service Agent. The guarantee in respect of water heating elements does not cover replacement due to failure for reasons of hard water scale build up, or overheating due to being run dry. This guarantee does not cover fluorescent tubes used on Insect-A-Kill units.

The guarantee card supplied with this machine should be completed and returned to Crypto Peerless without delay to ensure prompt response if problems should occur. If the guarantee card is missing a replacement will be supplied on request.

Choice of bench or floor standing planetary mixers designed for commercial use by the professional user. With a bowl capacity of 12, 20 or 30 litres, the mixer has variable speed control to let you select the precise speed you require for any mix. There is no clutch and it is not necessary to stop the machine to change speed. For safety the mixer is fitted with a bowl guard (optional in certain countries) and features no volt release.
